

Chauvet (www.chauvetlighting.com)

showed off a bunch of new products, including new additions to its Colorado line: the Colorado Batten 80i, the Colorado 6 (which more than doubles the output of the Colorado 3), the Colorado Panel wedge wash light and the Q-Wash LED 36 (which has the output of a Colorado 1 in a yoke configuration). Those in the market for something even more powerful will appreciate the release

of the Legend Wash. Chauvet's booth was decorated with panels of its new MiN Spot, an LED-fitted spot yoke, which features one 14-watt RGB LED and nine gobos.

The Chauvet MiN Spot
