

COLORDash™ Batten Tri

Weight: 6.8lbs (3.1kg)
Size: 22.1 x 3.5 x 6.5in
562 x 88 x 165mm

COLORDash™ Batten-Tri

Key Features

- 8 3-watt tri-color LEDs eliminate multi-colored shadows and provide an extremely flat and smooth wash field.
- 17° beam angle, 1113 Lux @ 2 m
- Each LED is individually controllable allowing for complex pixel mapping effects.
- Recall custom programs via DMX for quicker set-up and less work programming every show.
- Auto-ranging power, plug in anywhere!
- Power linking for up to 12 additional units saves on cable runs.
- Easy to use LCD display to control functions
- Double bracket allow for versatile mounting either clamped to a truss or free standing on the floor.
- ETLc listed for installation safety compliance
